

## English:

- The Magic Faraway Tree is a wonderful fantasy story. Watch this [video](#) and begin listening to a chapter of it each day (see the reading section).
- Use the word mat to help you to retell the Jewish story of Hanukkah (see religious education)
- Learn about the simple past and present tenses using the powerpoint.
- Practise this week's spelling list on [www.spellingshed.co.uk](http://www.spellingshed.co.uk)

## Maths:

- Watch the daily video on [White Rose Maths](#) and follow the lesson links to the [BBC lessons](#) or complete the White Rose Worksheets.
- Play games on [Numbots](#).
- Have a go at multiplication games on Active Learn: try Balloon Pop (2.19 or 2.27)
- Use BBC 'Supermovers' to learn about multiplication and division.
- Continue to learn your 2, 3, 5 and 10 times tables; use Times Table Rockstars, and 'Hit the Button'.

## Science/History:

- Find out about Charles Macintosh or John Dunlop. Use the research task sheet for tips. There is a powerpoint about each scientist that you could explore.
- You could make a fact file.
- If you choose Macintosh, there is a fact file structure and a waterproof coat activity that you could try using things that you have at home (both of these worksheets have 3 levels that you can choose from for recording your work).
- You could make and play the Materials and Inventors Game (you could just use the questions linked to Macintosh and Dunlop)

## Reading:

- Share a book every day.
- [Listen](#) to a chapter of 'The Magic Faraway Tree' by Enid Blyton each day. We will be doing some writing linked to this book in the coming weeks.

We would love to see any pictures and videos from your week! Email [year2.ellington@school360.co.uk](mailto:year2.ellington@school360.co.uk)

**Year 2 planning:  
Week beginning  
8th June**

## Music:

- Listen again to the song 'Minibeasts' from last week. Can you sing along to any of the verses? Can you sing along to the backing track?
- Try to create some Minibeast sound effects this week – do you have any musical instruments you could use? Or look around your house and find items you can tap/scrape/shake to make sounds. Play your sound effects with the track.

## Physical Education:

- Have a go at [Zumba Kids- Electronic song- Minions](#).

## Art/DT

- Make your very own pirate treasure chest! You can create this however you want and use your imagination if you want to, but there is one suggestion at [Red Ted Art using an old egg carton](#).

- Fill your treasure chest with small things that are special to you – why not take a picture to show us?

## Computing:

- Look at the Powerpoint about Mondrian.
- Use MS Paint to create a picture in the style of Mondrian. (MS Paint is automatically included on Windows computers – if you don't have access, [here is an online version](#).)

## PSHE/Wellbeing:

Watch this [video](#). Wolfgang is upset and afraid because of some unkind creatures. He learns to tell someone he trusts about how he is feeling. The story shows us that sometimes we get hurt by others and we have to be brave enough to continue to be ourselves and to keep our hearts open.

## Religious Education:

- Watch this [video](#) to learn about the Jewish story of Hanukkah.
- You could [make](#) a hand print menorah.
- You could make a dreidel using the net and play the game.
- You could do a Hanukkah word search.
