

English

- Continuing our work on Meerkat Mail I'd like you to create a new adventure for Sunny. Perhaps he comes to your house? Perhaps he goes to the park? He could go to your favourite place.
- Think about the questions we looked at last week for Sunny's new adventure:
 - Where is he?
 - What does he eat?
 - What is the weather like?
 - What does he do?
 - How is he feeling?
 - What does he like and dislike about the place?
- You're going to write a new postcard to send back to Sunny's family (template on website). Pretend you are Sunny and start your postcard with 'To Mum and Dad'. Try and use adjectives to describe the place that Sunny is visiting and make sure you write in FULL SENTENCES! Challenge: Can you use an exclamation mark?

Science (plants)

- Keep up your diary for your plant.
- Go on a walk around your local area. How many wild plants can you find? Use the powerpoint and worksheet on the website to help you.

Art

- Traditional African dress includes lots of pretty jewellery. Can you make a necklace or bracelet out of string/wool and pasta?

Phonics, reading and spelling (continue each week)

- Continue to learn sounds using www.phonicsplay.co.uk. Focus on phase 3 including tricky words before moving onto phase 4 and 5. Big push on tricky words please!
- Use the following link to access reading materials: <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>. Please read as much as possible! The Read, Write, INC. books are linked with the sounds we learn in phonics and it would be beneficial to read books with sounds that you need to practise, see if you can spot the special friends! There are also questions to answer in each book to develop comprehension skills.
- Use spelling shed to practise your spellings. <https://www.spellingshed.com/en-gb>
