

Reception home learning: Week beginning 8th February

Please use our
year group email
account if you
have any
questions about
the work set:

reception.ellington@school360.co.uk

[uk](http://www.school360.co.uk)

Maths: *Please watch the lesson video each day and complete the task described below.*

- Monday: <https://vimeo.com/486809316> **Task:** Reception maths- Week 5- Monday
- Tuesday: <https://vimeo.com/486809999> **Task:** Reception maths- Week 5- Tuesday
- Wednesday: <https://vimeo.com/486810658> **Task:** Reception maths- Week 5- Wednesday
- Thursday: <https://vimeo.com/486811053> **Task:** Reception maths- Week 5- Thursday
- Friday: <https://vimeo.com/486811810> **Task:** Reception maths- Week 5- Friday

The PowerPoint slides are also available from our website, please watch the video before having a look at the PowerPoint.

English: *Beware of the Crocodile by Satoshi Kitamura (Walker) See attached PDF for detailed plan.*

- Monday: Explore it
- Tuesday: Illustrate it
- Wednesday: Talk about it
- Thursday: Imagine it
- Friday: Create it

Throughout the weekly plan it will ask you to complete different questions and tasks based on the extract. Please discuss questions and complete any activities.

Phonics: *Please watch the lesson video each day and do any writing activities in your jotter book in your pack. These phase 2 sounds were covered in class last half term, we will consolidate learning before moving on.*

- Monday:

- Tuesday:
<https://www.youtube.com/watch?v=SZ4YqxbBybo&list=PLuGr6z2H2KNGLy2Tckcy8Kk8u10mXgcmi&index=25>
- Wednesday:
<https://www.youtube.com/watch?v=mTpbxjasiQI&list=PLuGr6z2H2KNGLy2Tckcy8Kk8u10mXgcmi&index=22>
- Thursday:
<https://www.youtube.com/watch?v=N2Gz0avTavc&list=PLuGr6z2H2KNGLy2Tckcy8Kk8u10mXgcmi&index=23>
- Friday: <https://www.youtube.com/watch?v=TPQhwBfKC-g&list=PLuGr6z2H2KNGLy2Tckcy8Kk8u10mXgcmi&index=20>

Further to this Ruth Miskin, the creator of Read, Write INC., is providing daily phonics lessons. The videos are available for 24 hours and can be found at: https://www.youtube.com/playlist?list=PLDe74j1F52zSHkrG_OoWu0sHBTLC Ezq1G. Please use the set 1 videos to consolidate learning from last term.

If you feel your child's knowledge is secure with the sound in both reading and writing, please visit <https://www.phonicsplay.co.uk/> and play some of the games. We are now moving into phase 3 with our learning so if you think your child is secure in phase 2 they could practise the new sounds using phase 3 games. You could also use Phonics Play at your leisure.

**Our topic this half term is
'People Who Help Us'.
These tasks each week will
relate to someone who is
there to help us.**

**This week we will be
exploring the work of
doctors, nurses and
dentists.**

**Remember you can now upload
work directly to your child's
learning journal using the
School360 parent app!**

Other Areas of Learning: *To complete throughout the week*

Expressive Arts and Design:

- Can you make a model crocodile like the one from our story this week?
- Look at the shape of your teeth in the mirror and have a go at making some teeth from playdough.
- Can you make a thank you picture for all of the doctors and nurses who are working super hard to make people feel better?

Communication and Language:

- What do doctors, nurses and dentists do? Who do they look after? Where do they work? What is different about doctors and nurses? How are dentists different?
- Use the British Sign Language website to learn the sign for 'hospital'. <https://www.britishsignlanguage.com/bsl-dictionary/hospital/>

Personal, Social and Emotional Development:

- This week in English we are thinking of the story 'Beware of the Crocodile'. Can you discuss what the word beware means with your grown up? What else might you have to beware of? Can you make a little poster with some drawings of examples?
- Can you have a go at the 'people who help us matching game' and see if you can match the problem to the person who could help? Could you play a pairs game with someone in your house and make sure you take turns each time?

Physical Development:

- Choose a different 5 minute shake up to have a go at: <https://www.nhs.uk/10-minute-shake-up/shake-ups>
- Use Cosmic Kids Yoga on YouTube <https://www.youtube.com/user/CosmicKidsYoga>
- Let us try a different song for dough disco this week (it's another one of our favourites): <https://www.youtube.com/watch?v=02QUmKVsyFY>. You will find information on the Dough Disco exercises on our class page on the school website.
- Can you have a go at putting a bandage on a teddy? Perhaps a grown up will let you put a bandage on them?

Understanding the World:

- Can you talk to your grown up about keeping your teeth healthy? What do your teeth do? Why is it important to look after your teeth? What happens when you get wobbly teeth? How many teeth do you have now? How many adult teeth will you get?
- Can you go on a rainbow scavenger hunt around the house and/or garden? What can you find? See the prompt sheet on our class page to help you!
- Use the x-ray images on our class page to look at different bones in the body. Can you match them to their places in your body?

School360: Please email me at reception.ellington@school360.co.uk for your child's username and password or if you have any questions about using School360.

Phonics Play: This website is providing free access to all users during this time. You can log into the website to access all resources using the following details:

Username: jan21

Password: home
