Further to this Ruth Miskin, the creator of Read, Write INC., is providing daily phonics lessons. The videos are available for 24 hours and can be found at: https://www.youtube.com/playlist?list=PLDe74j1F52zSHkrG_OoWu0sHBTLC Ezq1G. Please use the set 1 videos to consolidate learning from last term.

If you feel your child's knowledge is secure with the sound in both reading and writing, please visit <https://www.phonicsplay.co.uk/> and play some of the games. We are now moving into phase 3 with our learning so if you think your child is secure in phase 2 they could practise the new sounds using phase 3 games. You could also use Phonics Play at your leisure.

**Our topic this half term is
'People Who Help Us'.**

**These tasks each week will
relate to someone who is
there to help us.**

**This week we will be
exploring how vets help
us.**

**Remember you can now upload
work directly to your child's
learning journal using the
School360 parent app!**

Other Areas of Learning: To complete throughout the week

Expressive Arts and Design:

- Can you make some props to help your role play as a vet? Could you make a stethoscope perhaps? Or an xray machine?
- Can you make some beds and collars for the patients you might treat? Perhaps you could use your cuddly toys to test them out!

Communication and Language:

- Can you sing the Old MacDonald's Vet Song?
- Listen to Julia Donaldson read her story Paula the Vet. Can you join in when Julia reads 'Paula is a vet and a very good vet, she opens the door and she calls next pet'?
https://www.youtube.com/watch?v=gPjtnWMaYh4&feature=emb_logo
- Can you learn some sign's for animal names? Follow along with Mr Tumble
<https://www.youtube.com/watch?v=kW9OZwgQpWA>. What is your favourite animal?
- Have a go at listening to the sounds. Can you guess what they are?
<https://www.youtube.com/watch?v=4GhEGU0wUc0>

Personal, Social and Emotional Development:

- Can you set up a vet role play area? What might the vets need in their room? Use the pet detail form on our class page to take the details of the pet. Make sure you write clearly so other people who are looking after the pet will be able to read it!
- Can you imagine being a vet? What would it be like? When would you feel happy being a vet? When would you feel sad being a vet? Would you like to be a vet when you're older? Why?

Physical Development:

- Have a look at the following website and choose a ten-minute shakeup activity to do at home, there are some really fun activities on here, I like the look of Kaa's Snake Race, I might have to have a go! <https://www.nhs.uk/10-minute-shake-up/shake-ups>
- Have another dough disco! This week can you show your grown-ups your moves to one of our favourite dough disco songs? Which song will it be? (click this link to find out: <https://www.youtube.com/watch?v=hdcTmvpvDO0I>)
- Continuing with our favourite song, can you have a go at this Zumba routine? Miss Nicholson will have a go too! <https://www.youtube.com/watch?v=ymigWt5TOV8>

Understanding the World:

- Can you have a look at the vet information poster found on our class page on the website. Discuss what vets do with your grown up. Can you talk about why vets are important? What is the most important thing that they can do? What do we have to do to help vets if we have a poorly animal?
- Can you talk to your grown-ups and find out about different kinds of vet (pet/farm/zoo etc)?
- Can you find out where the closest vet is to your house?

School360: Please email me at reception.ellington@school360.co.uk for your child's username and password or if you have any questions about using School360.
