

### English & Reading

Please remember to continue to:

- Practise **year 3/4 wordlist and new spellings on spelling shed.**
- **Please continue to read and share stories every day!** 😊

The final week of English planning- you have all really impressed me with your fab work, I hope that you will continue to write a diary throughout your summer holidays ready to share what you have been up too in the summer holidays! I have attached a diary template for you to use- or you could write in a secret diary or notebook.

This week I would love you to write me a letter or a poem all about kindness using the language and grammar techniques taught earlier in the year.

### Maths

Access <https://trockstars.com/>

Go on White Rose and follow 'week 11 '

<https://whiterosemaths.com/homelearning/year-3/>

Worksheets are not available for this but you can watch and follow the videos and BBC bite size activities are in line with these. <https://www.bbc.co.uk/bitesize/dailylessons>

Well done on all of your AMAZING maths work this year and particularly this term with fractions! I hope you will continue to practise ALL of your times tables and quick number skills ready for September... Practise maths skills on:

<https://www.topmarks.co.uk/Search.aspx?q=maths>

### Computing

Log on to school360 and explore the different computing resources..

### Physical Education & PSHE/Well being.

Yoga-

<https://www.youtube.com/user/CosmicKidsYoga>

Joe Wicks-

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

Create a mini sports day! Show me the different events you get up too.

### Art & DT

Visit <https://www.darrellwakelam.com/> and choose an art project to complete using simple household recyclable items. Take some pictures to share with me!

in a world where  
you can be  
anything.....

**Be Kind**

## **Year 3**

### **Final Planning!**

### **Week 11 & 12 activities.**

**Have a look at the summer activity booklets and positive mindfulness sheets.**

### French

<https://www.duolingo.com/welcome>

### Science

Science week investigation and experiment activities!

I have attached some fun different science investigations for you to try and solve! Have some fun and choose some experiments to try and complete. Take some pictures and show me what you have investigated.

### Religious Education

I would like you to write and record an informative speech about a religion you have learned about during lockdown. You could write/talk about their main beliefs, how they celebrate certain special days. Please send me the videos so I can see!

Alternatively, make a huge display poster of everything you have learned so far include key facts and pictures.

### History/Geography:

Make a globe!

See instructions attached.

Click here for a video showing you what to do:
