

## Nursery home learning: Week beginning 30<sup>th</sup> November

Our topic this term is  
'Once Upon a Time'

Please use our  
year group email  
account if you  
have any  
questions about  
the work set:  
**nursery.ellington  
@school360.co.uk**

### **Mathematics:**

Our learning objective this week is counting and ordering numbers.

#### **Homework:**

- Can you find some sticks and count them?
- How many do you have? What number comes next?

### **Literacy:**

This week in literacy we are reading and learning about the story of Stickman (if you do not have this storybook at home you can find it on google/ youtube).

#### **Homework:**

- Can you share your library book with your grown up? (Library books will be changed every Tuesday).
- Can you practise writing your name?

### **Other Areas of Learning:**

#### **Expressive Arts and Design:**

- Can you make your own Stickman?

#### **Communication and Language:**

- Can you play a listening and attention game with a grown up?  
(For example place a number of woodland items, such as a conker, an acorn, a twig, a leaf and a pinecone on a tray. Close eyes and grown up removes one item. Can you guess which item is missing?)

#### **Personal, Social and Emotional Development:**

- Can you talk about families and what being a family means to you?
- Can you talk with your grown up about similarities and differences between each other's family?

#### **Physical Development:**

- Can you re-enact the story of Stickman and experiment with different ways of moving?
- Can you continue to practise your fine motor skills by drawing, colouring, cutting or playing with playdough?

#### **Understanding the World:**

- What do you know about the woods and forest? Have you been before? Who lives in the forest/ woods?
- Can you talk about the different types of weather in the story Stickman?
- Collect together a selection of natural objects and put them in a bag. Can you feel and describe what it is?
