

### English & Reading

Visit <https://firststory.org.uk/writeday/> and have a look at their fab writing resources for you to have a go at, they are running a **writing challenge** called **#247 challenge**- where you are challenged to write a 24 word story starting with 'One day..' it is a fab way to get children thinking about their writing choices and challenges them to write something interesting and exciting without having to write pages and pages. Give the challenge a go, illustrate a picture and share your short story with me! I'm excited to see what you decide to write, there are some good examples of others children's 24 word stories on their website.

For more short writing and English challenges visit <https://authorfy.com/10minutechallenges/> : this week I would like you to access the videos and scroll down to the author **Dominique Valentene**- where she has recorded a video I would like you to watch and complete the challenge she sets to create your own magical creature.

**Practise year 3/4 wordlist and new spellings on spelling shed.**

**Please continue to read and share stories every day! ☺**

**You can continue to access** BBC Bitesize and click on year 3, and complete some of English lessons and activities.

### Science – Marvellous Mirrors.

Take a look at the marvellous mirrors PowerPoint this week it would be useful to have some hand held mirrors to use and participate in the activities outlined.

Watch:

<https://www.bbc.co.uk/bitesize/topics/zbssgk7/articles/zqdx82> to learn more about reflections and how mirrors work.

Have a go at creating a quiz and secret mirror writing using the worksheets attached.

in a world where  
you can be  
anything.....

Be Kind

### Maths

Practise times tables every day- by the end of year 3 you should be confident with: 2,3,4,5,8,10.

Access <https://trockstars.com/>

Go on White Rose and follow 'week 8'

<https://whiterosemaths.com/homelearning/year-3/>

Worksheets are not available for this but you can watch and follow the videos and BBC bite size activities are in line with these. <https://www.bbc.co.uk/bitesize/dailylessons>

Practise maths skills on:

<https://www.topmarks.co.uk/Search.aspx?q=maths>

Year 3  
Week 8

### Computing

Log on to school360 J2E  
resources → J2code → year 3/4  
lesson plans → complete lesson  
five of coding.

### Physical Education & PSHE/Well being.

Yoga-

<https://www.youtube.com/user/CosmicKidsYoga>

Joe Wicks-

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

Play tennis with a family member or practise your volley against a wall.

Go on a long bike ride or walk with your family.

Keep me updated with any sporting activities you get up to.

### Art & DT

Visit <https://www.darrellwakelam.com/> and choose an art project to complete using simple household recyclable items.

### French

<https://www.duolingo.com/welcome>

### Religious Education

Take a look at the Qur'an PowerPoint to expand your knowledge on the religious book.

### History/Geography:

Take a look at 'Extreme Weather Conditions' PowerPoint.

We would love to see pictures and videos of your week! Email [year3.ellington@school360.co.uk](mailto:year3.ellington@school360.co.uk)
