

Numeracy

- White Rose Maths have changed their home learning section in line with BBC Bitesize but Reception does not have a section.
- However I have attached part of the White Rose Summer Term plan which explains how to do some of the concepts which we are learning.
- This week we are looking at length, height and distance. (See separate document).
- See the power point Sophie's Sunflowers
- Fill in the measuring sheet (if you don't have cubes you could use blocks or a ruler)
- Look at the characters from the [Tiddalik story](#) and talk about which is taller than, shorter than or the tallest.

Websites.

- [Oxford Owl](#)

['Alphabet Song' on Busy Things](#)

Also you could look at the phase 2/3/4 letters and their sounds games which are new for May.

Physical Development

Play Magic Beans.

Summer Term Week 5

Reception

Work from home plan.

These are some ideas that you might like to try this week at home.
Try to do something to make your family laugh and smile.

Don't forget that you can email us to share photos and videos!

Expressive Arts and Design

Choose which of these you would like to try to make

- A sunflower picture like this or look at Van Gogh's sunflower pictures and draw your own examples.
- Cress head characters
- Pictures of Tiddalik the greedy frog

Understanding the World

- Find out about the different things plants need to grow. Ask an adult to help you do the worksheet together.
- <https://www.bbc.co.uk/bitesize/topics/zpxnyrd/articles/zxxsyrd> watch what plants need to grow
- ['The Gardener' game on Busy Things](#)

Communication and Language

- [The story of Tiddalik the Frog on BBC Children's radio](#)
- Listen to the story about the frog who drank all of the water, leaving none left for the animals and plants.
- If you can get some sunflower or cress seeds see if you can listen to instructions on how to plant them and follow the instructions carefully.
