Maths: Please access the daily video link and subsequent worksheets (if you do not have access to a printer please write the number sentence and answer on a piece of paper – if you would like me to print the worksheets out for you, please contact me via the school email)

- Monday: <https://vimeo.com/499229510>
- Tuesday: <https://vimeo.com/500381471>
- Wednesday: <https://vimeo.com/500864228>
- Thursday: <https://vimeo.com/501678823>
- Friday: mini assessment

Practise your times tables **daily** either on a piece of paper, accessing Google chanting times table songs or playing on <https://ttrockstars.com/> or this is another web address <https://www.timestables.co.uk/multiplication-tables-check/>

Please access additional worksheets which focus on area; try to do at least one of the worksheets. The White Rose Maths sheets have you counting squares to find the area, on the additional worksheets I have you multiplying to find the area; just like we do in class. I would love you to do the perimeter bit too (remember to add all the sides for perimeter).

English: Gregory Cool by Caroline Binch (see PDF for detailed plan (pre-printed in your pack))

- Monday: Explore it
- Tuesday: Illustrate it
- Wednesday: Talk about it
- Thursday: Imagine it
- Friday: Create it

Throughout the weekly plan, it will ask you to complete different questions and tasks based on the extract. Please record all responses in your workbook or on a sheet of paper.
