

Communication and Language

Watch Catie's Amazing Machines - Underwater Machines:

<https://www.bbc.co.uk/iplayer/episode/b0bqk4yt/caties-amazing-machines-series-1-12-underwater-machines>

- Talk to a grown up about what different underwater machines you have just seen.
- Can you recall any facts you heard and ask a grown up to help you write them down?
- Which was your favourite underwater machine? Why? Can you draw one and send me a picture? You might want to make yours even more colourful.

Literacy

Play buried treasure on phonics play -

<https://www.phonicsplay.co.uk/BuriedTreasure2.html> - select phase 2 and then set 1 +i.

Can you try reading some of the words by blending sounds together? Does that word make sense - if it does drag it to the treasure box if it doesn't then it goes in the bin.

So far we have practised writing the letters,

m a s d t i n p g o c k u b f

The next letters we are focusing on are

e and l

You could practise writing these letters in the air with your finger, then practise forming these letters using pens, pencils, paints etc.

The rhymes for these new letters are:

e - lift off the top and scoop out the egg.

l - down the long leg.

Expressive Art and Design

Make a boat

Get creative and make a boat from any resources you have around your home or natural resources found outside. Perhaps you could make a big boat and a small boat.

Nursery Week 2- Under the Sea - Boats and Machines

PSED

During this difficult time your child might be feeling bored, lonely, sad or scared in lockdown, doing a fun activity to distract them from their difficult feelings can really help. Here are a few to try.

<https://www.partnershipforchildren.org.uk/uploads/images/What%20we%20do/Distraction%20Activities.pdf>

Numeracy

Sink or Float

Find waterproof objects from around your home (ask adults to help) and see if they sink or float. After a couple of goes see if you can predict if something will sink or float. Is it heavy or light?

Does the boat you made sink or float?

Can you take a picture to show me and send it to -

nursery.ellington@school360.co.uk

Counting

Practise counting to 10 or 20. You could count different objects from around your home.

Challenge: can you count backwards from 10 to 0?

ICT

Please try and access some of the following websites that we use in schools:

Learn British Council - songs and stories -

<https://learnenglishkids.britishcouncil.org/songs>

Phonics play - Phase 1 and 2

<https://www.phonicsplay.co.uk/>

Topmarks - Maths Games

<https://www.topmarks.co.uk>

Set up a paint/drawing program on any electrical device and try to draw under the sea pictures.

Physical Development

Joe wicks -

Join Joe Wicks at 9am every morning for a live workout.

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYlRfn6rYQ>

Cosmic Kids Yoga -

<https://www.youtube.com/watch?v=qC83oFEeVZA>

Try Jamie's under the water yoga. Get everyone involved and do a household workout.

We would love to see pictures and videos from your week! Email nursery.ellington@school360.co.uk
