Go on White Rose and follow last weeks 'week3' learning focusing on money pounds and pence.

<https://whiterosemaths.com/homelearning/year-3/>

Visit <https://www.topmarks.co.uk/money/toy-shop-money> and click on 'Toy shop money game' and practise finding and giving change. Use a number line and the frog method (like in class) to help you.

See year 3 money knowledge organiser attached for different methods and what you should know.

See pounds and pence PowerPoint for additional questions and support.

** You could try setting up your own shop and take on the role of the shop keeper giving your customers change, and then swap roles and practise buying different items and add up the total cost and pay. Use real or monopoly money!

Computing

Log on to school360 → J2E resources → J2code → year 3/4 lesson plans → complete lesson one of coding.

Physical Education

Try out some Yoga (hopefully better than me in the school video). <https://www.youtube.com/user/CosmicKidsYoga>

Art & PSHE/Well being.

Create a kindness poster for our classroom. Please keep it safe and then bring it in to show me when we go back so we can put them on display.

**Year 3
Week 4**

in a world where
you can be
anything.....

Be Kind

Science: Flowers

Have a look at Lifecycle of a flower PowerPoint.

Complete life cycle of flower worksheet or draw and write your own life cycle of a flower.
