

Walk the plank!

A pirate punishment. Walk along a plank and into the sea.

Scrub the decks!

Clean the deck floor of the
pirate ship.

Avast ye!

All stand still and pay attention.

**Up Jacob's
ladder!**

**Climb the robe ladder
to board the ship.**

Thar she blows!

Pirates shout this when they spot a whale. Can you point to the whale?

All hands Hoy!

Everyone runs to the deck and
stand in front of the captain.

**Guard the
crow's nest!**

Pirates climb to the highest point
on the ship to look for danger!
