

The Rockpool Rock

Come on with me,
We're going down to the shore,
Where we will see,
The sea and so much more.
We're gonna move,
We're gonna groove,
We're gonna dance the rockpool rock.

The rockpool rock,
[Part 2] *Get down with me like a sea anemone*
The rockpool rock,
[Part 2] *You're looking fab, just like a spider crab (x2)*

The rockpool rock,
We're gonna dance the rockpool rock.

Come on with me,
We're going down to the shore,
Where we will see,
The sea and so much more.
We're gonna move,
We're gonna groove,
We're gonna dance the rockpool rock.

The rockpool rock,
[Part 2] *Your moves are hot, like a lobster in a pot!*
The rockpool rock,
[Part 2] *Jive, roll and rockle like a mussel or a cockle. (x2)*

The rockpool rock,
We're gonna dance the rockpool rock.

Come on with me,
